Mark,

I am giving you a heads up on an evolving event here in Nova Scotia. s.37

s.37

s.37 VIP is engaged in communicating with the rest of the MPs in Division. We have recently communicated with all of them as a result of the recent threats to the Premiere (unrelated). AS you can imagine this is dynamic and evolving o we will work jointly on it until we can determine who should have carriage of the file and what the scope of the threat is.

Please call if you have any concerns,

Jason Irrelevant

Hi Rob, to be honest I took a quick look and threw it in the garbage can. Complete garbage!! Personally I don't think it deserves a response from NSCPA.

Thanks for bringing this to our attention. I just received this package here today. I agree with your observations that their comments are concerning and it appears that they want our assistance to overthrow the government. I am not sure if we should even respond but if we do perhaps it should be a shared response from the Nova Scotia Chiefs Association.

I welcome everyone's thoughts

Subject: Thumb Drive - The Line Canada

Good morning folks,

This morning I found an envelope in my mailbox. On further inspection, it was received on February 1st, and then, as a result of Covid protocols, it was placed in my mail slot today.

By feeling the envelope, I knew there was a thumb drive inside and prior to opening, googled 'The Line Canada' and it was clear that this is one of the main drivers in the protests we are seeing across the country. The emblem has been seen on some of the social media posters including the Facebook page "Nova Scotia Red Alert" by Personal [REDACTED] on Feb 1st. Pers [REDACTED] appears to be from Moncton NB.

<image006.jpg>

<image007.png>

In either event, the thumb drive, which likely has all kinds of Malware on it, was opened on an old laptop that was not connected to anything. It contained all kinds of resource material and a 130 slide powerpoint presentation about 'what's really going on'.

Towards the end, it seems to say what the 'ask' is of Police and Military: they want our assistance to overthrow the government and put an interim government in place. Some very concerning statements in regards to their plans and ideology. See below.
